

POLICY WORKING GROUP

Co-leads: Maria Bilbao de Azpiazu (Basque Country), Zoé Buyle-Bodin (Normandy), Eva Damm (Saxony), James Sharples (Scotland Europa), Michael Johnsson (Region Skåne)

Main 2024 workstream: Next European Framework Programme for R&I (FP10)

Key EU processes to follow:

- Development of FP10 – tackling various aspects of the next FP10 throughout the year, work of the Commission expert group
- Follow-up on the New European Innovation Agenda, including Regional Innovation Valleys rollout and upcoming calls (in collaboration with the S3 WG)
- Development of the ERA Policy Agenda 2025-2027
- New European Commission and European Parliament elections

On-going activities to be followed further in 2024:

- Reflections on FP10 - Building on the input to Horizon 2014-2027 consultation, scoping members plans, continue dialogue with DG RTD, coherence with future cohesion policy
- Regional Innovation Valleys – results from the calls for proposals and calls for expression of interest in 2023, follow up and next steps
- ERA Policy Agenda 2025-2027 preparations

First planned meetings:

- Kick-starting 2024: Towards R&I and cohesion policies post-2027 – 30 January
- Regional & ERRIN work on FP10 – internal exchange with ERRIN members – 22 February
- Sneak peek of the New European Innovation Agenda report and Regional Innovation Valleys – 12 March
- ERA Policy Agenda 2025-2027 – refining the actions – 23 April (TBC)
- FP10 and EU Missions – 22 May (TBC)
