

# TRANSPORT WORKING GROUP

Co-leads: Marcus Göpfert (Stuttgart), Françoise Guaspere (Ile-de-France Europe), Francisco Vigalondo (Aragón Exterior)

## Main 2024 workstream: Sustainable and Innovative Mobility

### Key EU processes to follow

- TEN-T regulation: Urban Nodes in TEN-T regulation and relative funding in the Connecting Europe Facility (CEF) programme
- Digitalisation of mobility: Digital Mobility Package, European Mobility Data Space, Multimodal Digital Mobility Services (MDMS)
- Mobility aspects in the Cities Mission
- Hydrogen mobility

### On-going activities to be followed further in 2024

- TEN-T and Connecting Europe Facility (CEF)
- European Partnerships (CCAM, 2ZERO, EU Rail...)

### First planned meetings

- Low Carbon Cluster project facilitation session: Cities Mission calls – 23 January
- Mobility Transition Pathway – March
- Project Development session: Horizon Europe Cluster 5, CCAM – April
